

The illustration shows a hospital room with large windows. In the foreground, a reception desk is separated from the room by a white partition with a glass panel. Two healthcare workers, a nurse and a doctor, are standing behind the desk. A red maple leaf with a white cross is mounted on the wall behind them. In the background, a hospital bed is visible with medical equipment, including a monitor and a patient bed control unit. A person is sitting on a stool next to the bed. The floor is made of light-colored tiles.
